

Governance

The Governance team is on-hand to assist our members with corporate governance, helping you to develop individual leaders in your organisation and to undertake board reviews to make sure your board is performing as effectively as it can be.

- Members can also benefit from access to our Governance Training Programme at heavily discounted rates. The workshops and webinars will give you the tools and support you need to implement change within your organisation and to take the important next steps on your journey towards achieving a gold standard of governance.
- Sign up to our Principles of Good Governance. The Principles have been produced by the sector, for the sector; therefore we encourage its use throughout every size and type of sport or recreation organisation. By signing up to The Principles, you are demonstrating a commitment to good governance within your organisation.
- Non-Executive Director Alert - This service aims to help you with the recruitment of your NEDs and also gives you the chance to throw your hat in the mix and be kept up to date with most recent vacancies nationwide.
