

## Events

In 2019/20 more members than ever before took advantage of the amazing learning and networking opportunities provided by the Alliance events programmes. As a member you receive discounted or free tickets to a huge variety events, including:

- Fit for the Future Convention- The C suite event that runs over two days is filled with exciting keynote speakers and our highly rated SPORT Talks which provide an insight from our peers inside the sector. This event also provides essential networking opportunities throughout the day and over a 3-course dinner.
- Community Sport and Recreation Awards – We celebrate grassroots sports and host an awards lunch that HRH attends. Find out more about the awards [here](#).

## Learning

As a member you will receive heavily reduced rates to our:

- Governance Training Programme which focus on improving practices within your organisation in a number of ways. Last years programme looked at:
  - Effective Chairing Skills
  - Role of the Director and the Board
  - Sporting Landscape for new Directors
  - Developing strategic thinking
- FREE Summit Series - a series of roundtable discussion bringing 20 – 30 likeminded people from across the sector together to discuss a number of policies and sector issues.

## Networking

- FREE Summer Networking Reception - Every year our Summer Reception is centred around a policy-based theme whilst providing key networking opportunities where our members, members of parliament and other government representatives will be in attendance.
- FREE Annual Conference - The Annual Conference provides our members with the opportunity to come together with likeminded people and organisations from across the sport and recreation sector.
